

NAJC COMMUNITY PILOT PROJECT PROGRAM

SUMMARY REPORT FORM

**Lakehead Japanese Cultural Association
Whole Family Fun Program**

Type of Program	Membership Participation Program		
Description	Eight separate events were designed to increase participation and attendance by families and promoting Japanese Canadian culture to younger generations. These events are also to increase leadership growth and the LJCA membership.		
Duration of Program	Start Date: Fall 2010?		End Date: January 2012
Process	Several weeks were required prior to the event to ensure bookings. Each event was 2 to 4 hours in length and offered on an annual basis.		
Goal	Increase member participation with organization.		
Budget	Total Budget	Portion for Capital Acquisition	Portion for External Services
	\$3500.00	\$1200.00	\$2300.00
Human Resources	Participants	???	Family members
	Volunteers	5 to 10	Organizing and promoting each event
Promotions	LJCA Newsletter, word of mouth and phoning/email communications with membership.		
Rate of Success	Partial Success		
Successes	The events were well organized, easy to run, and easily repeatable.		
Challenges	Due to the numerous events, different skills and knowledge sets were required such as origami, mizuhiki, ikebana, wood carving, curling, and history.		
Outcomes	Participation was not as high as anticipated. However, most events brought out members whom had not been active previously.
