March 4, 2018 - After 44 hours of non-stop snowfall we were glad to see that Mr. Michael Abe (Victoria) and Dr. Eric Adams (Edmonton) were able make it safely to the Centre to present their Landscapes of Injustice project recap.

Michael is the Project Manager of this 7-year project which began in 2014. He is a Nikkei Sansei and is based at the University of Victoria. He has been involved in the Japanese Canadian community in Ontario and Victoria.

He has been past-president of the Victoria Nikkei Cultural Society, editor of the Victoria Nikkei Forum and involved with the National Association of Japanese Canadians (NJCA).

Eric is a Law Professor at the University of Alberta, Faculty of Law. He is currently leading the legal historical research team of Landscapes of Injustice, a large SSHRC (Social Sciences and Humanities Research Council of Canada) funded inter-disciplinary research project investigating the dispossession of Japanese Canadians during the 1940s. Eric outlined the aspects of the War Measures Act and a guided timeline of various Orders-In-Councils that were inflicted on the Japanese Canadian community. He showed court proceeding case files and samples of original "Letters of Loss" and discussed the impact of the dispossession of property loss.

Michael, Roger & Eric (Landscapes of Injustice Workshop)

In early April, I had a wonderful and thought provoking morning visiting the Atomic Dome and the Hiroshima Peace Memorial Park. After hours of walking, viewing, reading and photo taking, I sat beside the Motoyasu River to contemplate what I had just experienced. As I sat under the blossoming cherry trees, a few of the petals floated down to begin a carpet of pale pink. They made me think about the falling tears that were shed during a show I had just witnessed in the National Peace Memorial Hall that told the stories of the children who were at their school that fateful day. Peace and harmony must not be taken for granted. The fight to achieve and maintain peace is a cause worth the effort. Good things will come to our community and its members but we all need to share in the effort to ensure that happens.

Last year at this time, we had already held our AGM and had elected our new Board of Directors. This year's AGM had been postponed (May 6), so I can't report on what happened but I can tell you that the current Board is excitedly making plans to create an AGM that is meaningful and worthy of your presence.

NAJC Community Renewal Fund

I am most pleased to inform you that our application for funding through the Community Renewal Fund of the National Association of Japanese Canadians has been approved. This \$24,000 grant is earmarked specifically for our renovation plans for our kitchen. Obviously, it would not pay for a complete overhaul of the facilities in our kitchen but it will allow us to get started with the most pressing of our needs and will address some safety and efficiency issues. Thank you to Shirley Shigematsu for her excellent work in completing a well-written application.

**NIKKEI CENTRE STORAGE
CLEAN-UP**

A very successful clean-up of our storage areas took place on Saturday, March 10. Many volunteers from our various user groups came out, not only to clean out their space but also to help remove items that had been sitting in our storage rooms and cupboards for a long time. Best of all, most of our users of the facility had already done a clearing and re-organization of their own items prior to that Saturday. Thank you to all those who attended that morning to help and, again, a special thanks go to Doug Ohama and John Coleman who used their vehicles to haul away the unwanted items.

"Landscapes" continued

Michael explained how the project was broken up into various clusters to study and develop teaching aids. This was accomplished by researching archival files, tracing historical sources, interviews, cataloguing and digitizing documents. To further highlight what was achieved by the clusters, he prepared a mini-case study on 3 of our members. These family bios were participants of the CJCA's publication of "Okage Sama De". He was able to uncover a paper trail of unseen documents that their parents and grandparents were coping with.

"Knowledge Mobilization" is Phase 2 of this project. The plan is to communicate their findings via a travelling museum, educational curriculum and public database of the research material that was collected.

Many thanks to Eric and Mike for updating everyone and we look forward to hear about Phase 2!

**CJCA (BNG)
BUSINESS NETWORKING GROUP
FEBRUARY MEETING REPORT**

by Yukiko Moriya

CJCA Business Network Group's 1st meeting in 2018 was held at the Nikkei Center on Feb 13th to provide some tax tips for personal and small business owners. It was open to the public, and a few general members came to attend the meeting.

Our special guest presenters were Ms. Jesse Vu & Mr. Ethan Dang at **Exceedia Consultant Ltd.**

All the information was useful for both individual and business owners. After the presentation, people had an opportunity to ask more tax questions that were related to everyone's unique situation. Tax rules and regulations change every year and we usually let our accountant to handle them all. However, from time to time, it's important to refresh our knowledge with up-to-date information about Tax. Exceedia Consultant Ltd. specializes in financial literacy education to individuals and business owners and they are providing many free workshops regularly. More information about their services and schedule for the workshop is here.

www.exceedia.ca

Many thanks to Jesse & Ethan at **Exceedia Consulting Ltd.** providing us valuable information. Also thanks to the people who attended our meeting and hope you enjoy our house-made meal as well!!

For CJCA BNG future meetings and events, please check our Facebook page (CJCA Business Network) and connect with us so that you will be notified about our future meetings.

**Multicultural Night Hitmen Game
by the CJCA BNG**

"It was such a wonderful and honored experience holding the Japanese flag and singing the Canadian National Anthem on the red carpet in the official NHL hockey arena. I would strongly recommend signing up for this event in the future to many other people in our community." (Japan delegate; Mr. Tomoatsu Miyagi)

"It was an honour and a privilege to carry the Japanese flag onto the Saddledome ice. It was exhilarating and humbling to be in front of such a large crowd celebrating multiculturalism in Canada. So many flags, so many nations. I am so glad the Japanese community got a chance to celebrate Japanese culture. Thank you to the CJCA for this unique opportunity. If they decide to do this next year, I would love to do it again." (Japan delegate; Mr. Calvin Jim)

Despite the limited time to promote the event, a total of 40 people purchased the ticket to enjoy the event on March 4th, 2018. And because of this total number of attendees, we were able to send 2 delegates from our community and big thank you to Mr. Tomoatsu Miyagi and Mr. Calvin Jim for your volunteerism and time to come out representing the Japanese community.

There were 17 countries including Canada and 34 delegates who were proudly holding the flag of their countries. All delegates put on their traditional cloth or national color of their country. We hope this event will be recognized every year and give people in Calgary a moment to feel a sense of pride who they are and appreciate living in such a great city and country that is diverse and inclusive.

Thank you to Calgary Sports and Entertainment Corporation for organizing the event to provide a wonderful experience in people's life. Their effort to organize these extraordinary events has been recognized by the CJCA and many other ethnic cultural associations.

Lastly, thank you to the BNG core members for your commitment to handle the future Multicultural Night Games for the Japanese Community!!

66th ANNUAL JC BONSPIEL
 by Cheryl McDonald

The 66th Annual JC Bonspiel was held at the Calgary Curling Club on February 16 – 18, 2018. This year's event had 44 teams registered in our Open event and 8 in the Seniors category for a total of 52 teams (208 Participants). 3 teams travelled from BC to compete, all other teams were from various areas throughout Alberta.

Over the course of the weekend, many visitors stopped by the club to watch some great curling and catch up with family and friends. We gave away some fantastic prizes, donated by some very generous sponsors, each participant received a door prize and we also were able to refund \$5.00 to each open participant due to our terrific fundraising efforts. Nobody went home empty handed nor did anyone leave hungry as the Calgary Curling Club did an amazing job of ensuring all of our participants and guests were well fed.

Mike Tomiyama (Chad Kloschinsky, Trisha Kloschinsky & Julie Hironaka) successfully defended his title of Open Champion for the 2nd year in a row.

The Seniors Event was won by Dave Shima (Calvin Moriyama, Diane Higa & Gail Ikebuchi), both teams are from Calgary.

We have been hard at work archiving data from the past 66 years on our website under Past Winners (www.jcbonspiel.com). We will continue to add items to our archives as they become available, if you have any historical material to contribute, please contact us at info@jcbonspiel.com.

Special thanks to all of the participants, volunteers and sponsors without whom we would not be able to host such a fantastic event from year to year. Our 67th Annual Event will be held in Lethbridge on Family Day weekend (February 2019) and will be hosted by Taber & surrounding areas. Please check our website for more information & details closer to the date.

Spring is finally here after a very long and cold winter, hope everyone is enjoying the warmer weather.

On February 14th for Valentine's, Toban D and Special Events Committee led by Ted Wada prepared onigiri (rice balls) filled with salmon or umeboshi, sprinkled with furikake served with gobo kinpira and takuwan; with daifuku mochi and an orange for dessert. Vice Consul, Mai Tomori joined us for lunch and to say farewell prior to leaving for her next post in Bangladesh.

On February 21st we saw the video, "Facing Injustice" a documentary on the relocation of Japanese Canadians who were forcibly removed from the West Coast in 1942 and placed on sugar beet farms in Manitoba.

Consul General and Mrs. Tanabe joined us for lunch on February 28th as his tenure here has been completed. As a farewell gift he was presented with an engraved Kotobuki clock and Kotobuki pins were given to Consul General and Mrs. Tanabe by Kathrine Nugent. Consul General Tanabe also entertained us with some lovely Karaoke Japanese songs.

On March 21st, Matsue Takeda treated us to a demo of making special fancy geometric sushi (Sosaku Sushi).

We celebrated **Hiroshi Kuwahara's 104th Birthday** on March 28th, with bento lunch and beautifully decorated cake from Amandine's and balloons. His wife Kay, his son Doug and his daughter-in-law Anne joined us in the celebration.

SAKURA TEA

April proved to be another busy time for Kotobuki members in preparing for the Sakura Tea held on April 21st which was another successful event as friends and family enjoyed visiting while sipping tea and enjoying the special plate of mochi cakes and orange. The Centre looked very festive with the bright green tables decorated with bunches of colorful alstroemeria coordinated by Kay Toyota.

The beautiful Japanese wall hangings along with the red and white lanterns added a special touch. The Kotobuki Crafts table had many crafts made by members and by the Craft Committee. The Bake Table had many varieties of baking donated by the members, the sushi table with inari sushi, maki sushi and small rolls always popular; the Yaki Soba manned by the Youth Group, CJCA table with display of books for sale as well as, "Okage Sama De", a history and bio of the Japanese Canadians living in the Calgary area. Matsue Takeda had a table selling matcha ice cream decorated with mochi dango, fruit, miniature marshmallows, and topped with a white marshmallow with a happy face. New this year was the (Kimi Komi) Matoro Japanese dolls handmade by Hiromi Guest's mother and a bake table of Japanese Sakura Mousse Cups, Sakura Madeleines and Sakura and green tea mini cakes by Cindy Bafia. The Buddhist Temple table sold gyozas. Nakagama's from Lethbridge were here as well. Ken and his daughter Kendra were kept very busy.

Special thank you to all the Kotobuki members who donated raffle prizes and to all the members who worked so hard in the preparations for the tea. Special thank you go out to Nancy Kondo for coordinating the karinto prep on April 13th and for the preparation of all the mochi cakes for the tea plates served at the Sakura Tea. Ruth Nagai sends out special thank yous' to everyone for all the wonderful baked goods.

Also thank you to Lorraine McNeill for coordinating the raffle with Ruth Nagata and to Kathrine Nugent for calling out all the winning numbers.

IN MEMORY

by Ruth Nagata

The Calgary Nikkei community is saddened by the passing of:

GOMYO, Keiko

June 15, 1928 - Nagano, Japan
April 27, 2018 - Calgary, AB

It is with deep sorrow that we announce the passing of dear Keiko, treasured mother of Ikuo of Osaka, Japan and Yoshiko of Calgary. Keiko was born on June 15, 1928 in Nagano prefecture, Japan. As the eldest child, she became the inheritor of the Gomyo family lineage. The family owned a large sake brewery and relatives often came to visit with their children. One of the children was her future husband Kuranosuke (Kurano), who became her lifelong companion.

Keiko decided to become a doctor during her middle school years in the 1940's. She enrolled in a medical school in Tokyo in 1945. She became reacquainted with Kurano during her studies and they married in 1951. In the early 1950's, Kurano's job took them to West Germany. They travelled extensively around Europe making lasting friends and returned to Japan in 1958. Keiko completed her specialization in pediatrics and worked for many years as a physician. In 1968, they made a life changing decision to move to Canada. Kurano continued his work as a mining engineer while Keiko pursued activities like pottery, odori (Japanese dance) and continued her dedication to Japanese culture. They retired to White Rock, BC where Keiko and Kurano spent several years on a small acreage.

During that time Keiko immersed herself in her hobbies, the Japanese community and in developing a beautiful garden. Later they moved to Calgary to be closer to Yoshiko and her family. She was a member of the Japanese senior's group (Kotobuki-kai) and taught odori there for several years. Up until her passing, she attended Kotobuki-kai regularly, participating in gentle exercise programs and English lessons. Keiko was happily looking forward to celebrating her 90th birthday with her family and friends in June.

Keiko is sadly missed by her son-in-law Doug of Calgary; daughter-in-law Masako of Japan and her grandchildren, Emily, Ben, Jun and Kumi. She is forever remembered for her thoughtfulness, generosity, perseverance and devotion to her family.

Funeral Services will be held at McINNIS & HOLLOWAY (Park Memorial, 5008 Elbow Drive S.W. Calgary, AB) on Thursday, May 17, 2018 at 1:00 p.m. Reception to follow at the funeral home. Condolences may be forwarded through www.mcinnisandholloway.com.

NAGATA, Roy Masahiro

May 23, 1926 - Sea Island, BC
April 26, 2018 - Calgary, AB

Roy Masahiro Nagata, much beloved husband, father, grandfather, uncle, and friend, slipped away peacefully on Thursday, April 26th at the age of 91.

Roy was born in Sea Island, BC, on May 23rd, 1926, and was the youngest of six children in the Nagata family. He grew up near the Vancouver Cannery with other Japanese Canadian families involved in the salmon fishery, until 1942, when his family was relocated from the West Coast to Welling, AB, during World War II. Fortunately, Roy met his future wife, Luri Oishi, from Raymond, during his consignment in Southern Alberta.

After all Canadian wartime restrictions were lifted, Roy moved to Calgary, in September 1947, to attend the Provincial Institute of Technology and Arts (now known as SAIT), where he graduated in Electrical Engineering Technology in 1949.

He practiced as a journeyman electrician for 9 years, spent the next 7 years as an electrical designer, and eventually came full circle, when he decided to apply his skills as an instructor at SAIT for 25 years, beginning in 1966. Roy also furthered himself by completing his Bachelor of Vocational Education in 1974, at the University of Alberta while on a sabbatical from his teaching duties at SAIT. He retired from SAIT as a Program Supervisor in 1991. He also served in the Royal Canadian Air Force Auxiliary as a Ground Radar Technician and flight sergeant for 13 years from 1951-1964.

Roy was proud of his heritage and strongly valued honesty, hard work, and higher education. He overcame the hardships of his youth to create a stable home environment for Luri, Cindy, and Kerry, and a host of pets. He was always quick to offer a helping hand to friends and strangers, alike; and welcomed members of his large extended family, many friends, and acquaintances over the years. Roy's parents lived full-time with the family for 5 years after his father was bedridden from a stroke.

He was an adept handyman, and would freely give of himself to do electrical wiring on homes for friends, and community groups, alike. Roy enjoyed hobbies like swimming, bowling, badminton, model-making, karaoke, wood-carving, gardening and was a movie buff. Upon retirement, he tirelessly immersed himself in the Calgary Japanese Canadian Community, Japanese Language School, Kotobuki-kai, Japanese Community Newsletter (was an editor for 25 years), and spent copious amounts of time doing volunteer work including the Calgary 88 Olympics, World Police & Fire Games, Calgary Board of Education, and Consulate of Japan. He received numerous achievement and humanitarian awards over the years, culminating in an Emperor's Award, presented to Roy in Japan by Emperor Akihito in 2005.

Roy is survived by his wife of 62 years, Luri (Nee Oishi); daughter Cindy Nagata-McMillan (Bryan); son Kerry (Erin); grandchildren, Maelle, Jona, and Shephard; older sisters, Hisako Sameshima, and Reiko Mitsuishi; numerous brothers and sisters-in-law; cousins; nieces; and nephews. Roy was predeceased by his father, Sanshiro; mother, Saye; sisters, Fumi Suzuki, Yuki Fukumoto; and brother, Jerry.

A memorial celebration of Roy's life will be held at McINNIS & HOLLOWAY (Fish Creek, 14441 Bannister Road S.E., Calgary, AB) on Wednesday, May 23, 2018 at 2:00 P.M. Reception to follow at the funeral home. Condolences may be forwarded through www.mcinnisandholloway.com.

Calgary Buddhist Temple Update – May, 2018

On the last weekend of April, Calgary Buddhist Temple had the honour of hosting the Annual General Meeting of Jodo Shinshu Buddhist Temples of Canada. Delegates came from across Canada to share the Dharma, talk about Temple issues and successes, renew friendships, laugh a lot, and eat! The AGM was a great success. Thank you to all our volunteers who worked hard and made the weekend wonderful.

UPCOMING SPECIAL SERVICES:

May 27: Keirokai, our yearly event honouring our members who are 'Keiro', that is, our senior, experienced Sangha members. It is also Gotan-ye, the celebration of birth of Shinran Shonin, the founder of Jodo Shinshu Buddhism. Shinran Shonin was born on May 21, 1173. Gotan means birth and Ye means gathering.

June 17: Family Picnic, annual family day at Edworthy Park, site #1 on the west side of the river. Bring a potluck dish and the kids, dogs need to be on a leash, kids do not! Games, races and prizes galore!

August 26: Obon, Obon is a time to express our gratitude to loved ones who have passed on before us. Without them, we would not be who we are today. We would not be where we are and we would not be able to do the things we do to enjoy life. Just think about the number of people involved in creating each of us. Since we're all influenced by a countless number of beings, our inter-connections, and therefore our debt of gratitude, is without bounds. Thus, temples hold an Obon memorial service to enable people to pay tribute to the departed.

The service is usually held separately from the festival so that the sangha (Buddhist community) can participate in this solemn and respectful remembrance in quiet reflection.

Also, the first Sunday of each month is Shotsuki, a monthly memorial service to honour and remember loved ones who passed away in that month. This service is now being followed by tea and light refreshments. We encourage all seniors to attend; rides can be organized if needed. All services start at 10:00 am on Sunday.

There is a meditation session every Wednesday night at 7:00 pm, and a service every Thursday night at 7:30 pm.

The Temple will be closed from July 1 to August 4, reopening on August 5 with a Shotsuki service.

Need a boardroom for a meeting? A family celebration or a class you would like to teach? Consider the Calgary Buddhist Temple for your next professional function or social gathering. For rental inquiries, please email: templerentalrequest@gmail.com

Introducing: Executive Director Kevin Okabe

The National Association of Japanese Canadians (NAJC) is pleased to announce the appointment of Kevin Okabe as the new Executive Director, effective May 1, 2018.

Kevin, based in Calgary, Alberta, has been actively involved with the Japanese Canadian community at both the local and national levels for over thirty years. Locally, he helped organize Japanese Canadian youth groups and he has served on the boards of community organizations in

Winnipeg and Calgary. The former President of the Calgary Japanese Community Association, he chaired the 2011 Calgary Tsunami Relief campaign.

Kevin has a long history with the NAJC and served for five terms, taking on the roles of Director, Secretary and Treasurer for the organization. He worked on the NAJC's Youth, Strategic Planning, Finance and Heritage Committees, and was instrumental in shaping the organization's investment strategy.

Kevin comes to his new role with the NAJC after retiring from the private sector, where he served as Chief Operating Officer for MSH International (Canada), a provider of expatriate insurance solutions, for the past ten years. He also spent over fifteen years working in public practice with Grant Thornton and PricewaterhouseCoopers. He holds certifications as a Chartered Professional Accountant and in Information Technology audit and governance, and was recognized as one of Calgary's Top 40 under 40 in 2007. He and his wife Naoko Maebashi own and operate two retail stores and a deli in Banff and Kananaskis, Alberta.

As Executive Director, Kevin's priorities for the NAJC include:

- Researching and suggesting strategic alternatives for consideration by the organization
- Supporting the work of the NAJC's Executive Board and committees, including the organization of the Annual General meeting
- Stabilizing and streamlining the back office and accounting administration for the organization
- Enhancing communication within the organization and strengthening partnerships to achieve common goals

The NAJC Board of Directors looks forward to working with Kevin as we continue to redefine and enhance the organization's role in serving the Japanese Canadian community.

The 2018 NAJC AGM to be held
September 21-23 in Winnipeg at the
Canadian Museum for Human Rights.
