I Impact on our activities by COVID-19 Pandemic

This year due to COVID-19 Pandemic, we were not able to implement two career seminars both in Toronto and Vancouver and one Domestic Violence workshop in Ottawa. In addition, we could not have educational activities at JCCC Summer Festival and Powell Street Festival. Therefore, this fiscal year, January 1 to December 31, 2020 we may experience \$6000.00 deficits in our revenue. Thank you very much, NAJC for providing \$1,500 Community Development Fund to implement Domestic Violence Workshop in Ottawa by March 31, 2021.
